Does your smoking manner make others trouble?

-----**Don't walk with a cigarette or throw it away carelessly.** -----

Kankyo-Hozen-ka (Tel.0587 (36) 0135)

Without notice, you walking with a cigarette on the street might burn the dress or belongings of others or your cigarette ash might drop on a baby in a baby car or touch the face of a child led by the hand of a guardian. Cigarettes can be dangerous.

Please try to keep yourself from smoking at the places many people gather. Your cigarette smoke and smell make non-smokers feel uncomfortable. You can harm people through smoking.

Any thrown cigarette butts on the street, near the station or on the crossing damage the town's sense of beauty and might cause a fire.
