Protect Our Children from Crimes

It is very important to talk with your children again and again how to protect themselves from both being victims and being criminals.

In order not to be victims...

- Do not go to amusement centers or streets with few people.
- Try to move in a group.
- Do not follow a person carelessly.
- Do not get closer any parked cars with a person in.
- Bring a whistle or a buzzer with you and get ready to use it anytime.
- Do not open a house door carelessly when that person is alone in a house.
- Do not access the Deai-kei Site (Meeting site) of mobile phones.
- Tell a family where, with who to go and when to be back.

In order not to be criminals...

Guardians need to grasp signs of juvenile delinquencies properly and give children appropriate leadings. Typical signs are as follows;

- To use much money and ask for money.
- To come back home late or stays out overnights.
- To bring cloths all the time.
- To have any expensive thing which you haven't bought for them.
- To bring knives without any proper reasons, and so on.

Keep away from Drugs!

Drugs are prevailed even among general citizens including students or housewives. These are called as 'Legal Drugs' sometimes, however **NO Drugs exist in this world which are good for your lives.** Everyone needs to be so careful not to get close to any kind of drugs.

ATTENTION ! Use caution if you receive a bill or an Account from a company which is not known to you !

If you have received a bill from an adult web-site or dating site which you have never used

- 1) Never pay the bill !
- 2) Never telephone them. (they will then know your telephone number)
- 3) If by any chance, you receive a threatening phone call , or a representative of that company visits your home or place of work , please call 110
