Used Tempura Oil Collection

We are collecting used tempura oil at Chiiki station which is open on Sundays for environmental protection and recycling resources. Thank you for your cooperation.

How: Carry your used tempura oil in a sealed container like a bottle and put the oil in a collection container at the Chiiki station collection place for example at the parking lot in Shimin center. Please bring your container home.

For more information, please contact Gomitaisaku-ka in Kankyo Center. Tel: 0587-35-0135

Let's Recycle

We are going to advertise your disused articles that other people might use. We have three categories: want to sell, want to give away, and want to buy. If you find what you want, you can directly contact the person whose article is advertised and discuss how to hand over the article.

Citizens 20 years old and over are eligible to register for this corner. Please apply by filling out a registration card for disused articles at Gomitaisaku-ka at City Hall, Shiminfukushi-ka in the Sobue and Heiwa branches, and Shimin Center.

Give away: a 2-jo sized electrical carpet (100V, 500W, made by Nihon Dennetsu KK) and a piece of covering sheet. Bought in 2003. Not used yet.

HEALTH

Information on Measles & Rubella Vaccinations

The Vaccination Law has been revised as follows. By this revision, children who aren't in the new age range won't be able to get a vaccination at public charge on and after April 1, 2006. So we recommend you to have your children get a vaccination by Mar. 31, 2006. (Any number of children is OK). Also, pay attention to the intervals of vaccinations. Rubella needs to be followed by Measles with a 4 weeks' interval.

Contact: Hoken Center Tel. 0587-21-2300

Contents of revised Vaccination Law

	Current	Revised (Apr. 1, 2006 ~)
For	Children of 1 to less than 7.5 years old	1 st stage: Children of 1 to less than 2 years old 2 nd stage: Children who enter E..S. within one year * Except for vaccinees of Measles or Rubella by Mar.31,2006
Frequency	Measles: Once Rubella: Once	Mixed vaccine of Measles and Rubella: Twice of the 1 st and 2 nd stages

DT Vaccination has been abolished.

DT vaccination for children of 3 months to less than 7.5 years old who have caught Whooping Cough, has been abolished due to July 29's revision of Vaccination Law. But, DT for 6 graders as the 2nd stage will be continued.
